

NOTICE

MY DR NOW HAS ADOPTED THE FOLLOWING POLICIES AND PRACTICES FOR THE PROVISION OF HEALTH CARE SERVICES:

Consistent with our mission and values, we will not discriminate against any patient for any reason including but not limited to race, color, sex, national origin, disability, religion, or sexual orientation.

In an effort to reduce the barriers to obtaining healthcare, we have an agreement with the Arizona State agency which administers the State plan for medical assistance under Title XIX ("Medicaid") of the Social Security Act which provides services for patients entitled to medical assistance under the plan. We will accept assignment under the Social Security Act for all services for which payment may be made under Part B of Title XVIII ("Medicare") of the Act.

For patients residing in a federally-designated Health Professional Shortage Area (HPSA), health services will be billed at the usual and customary prevailing rate. However, patients experiencing financial hardship will not be denied access to care because payment for health services will be made under Part A or B of Title XVIII ("Medicare") or Title XIX ("Medicaid") of the Social Security Act or an inability to pay. Patients will only be charged for services to the extent that payment will be made by a third party authorized or under legal obligation to pay the charges.

MY DR NOW makes every attempt to assist our patients with applying for benefits including providing and filing applications for medical assistance and ensuring all possible programs are made available for our patients experiencing financial hardship. Our website contains additional links and resources to help provide patients with access to quality, affordable healthcare.
